Now, at long last, we shall overthrow our current ridiculous State... and put those unyielding, entitled fools in their proper place!!

I've successfully captured Ouma Touya, the only one to discover my true intentions,

and Homuraokoshi Yowabi's Ability has awakened without any trouble.

With this, if we include the "Lightning God" Mikan,

I now have the two strongest A-Ranks in my hands.

...everything has fallen into place.

I promise you,

I will create the World desired by Strangers.

LET'S USE THAT SWIMSUIT ABILITY (?!)

TO HEAT UP THIS SUMMER EVEN MORE !!!

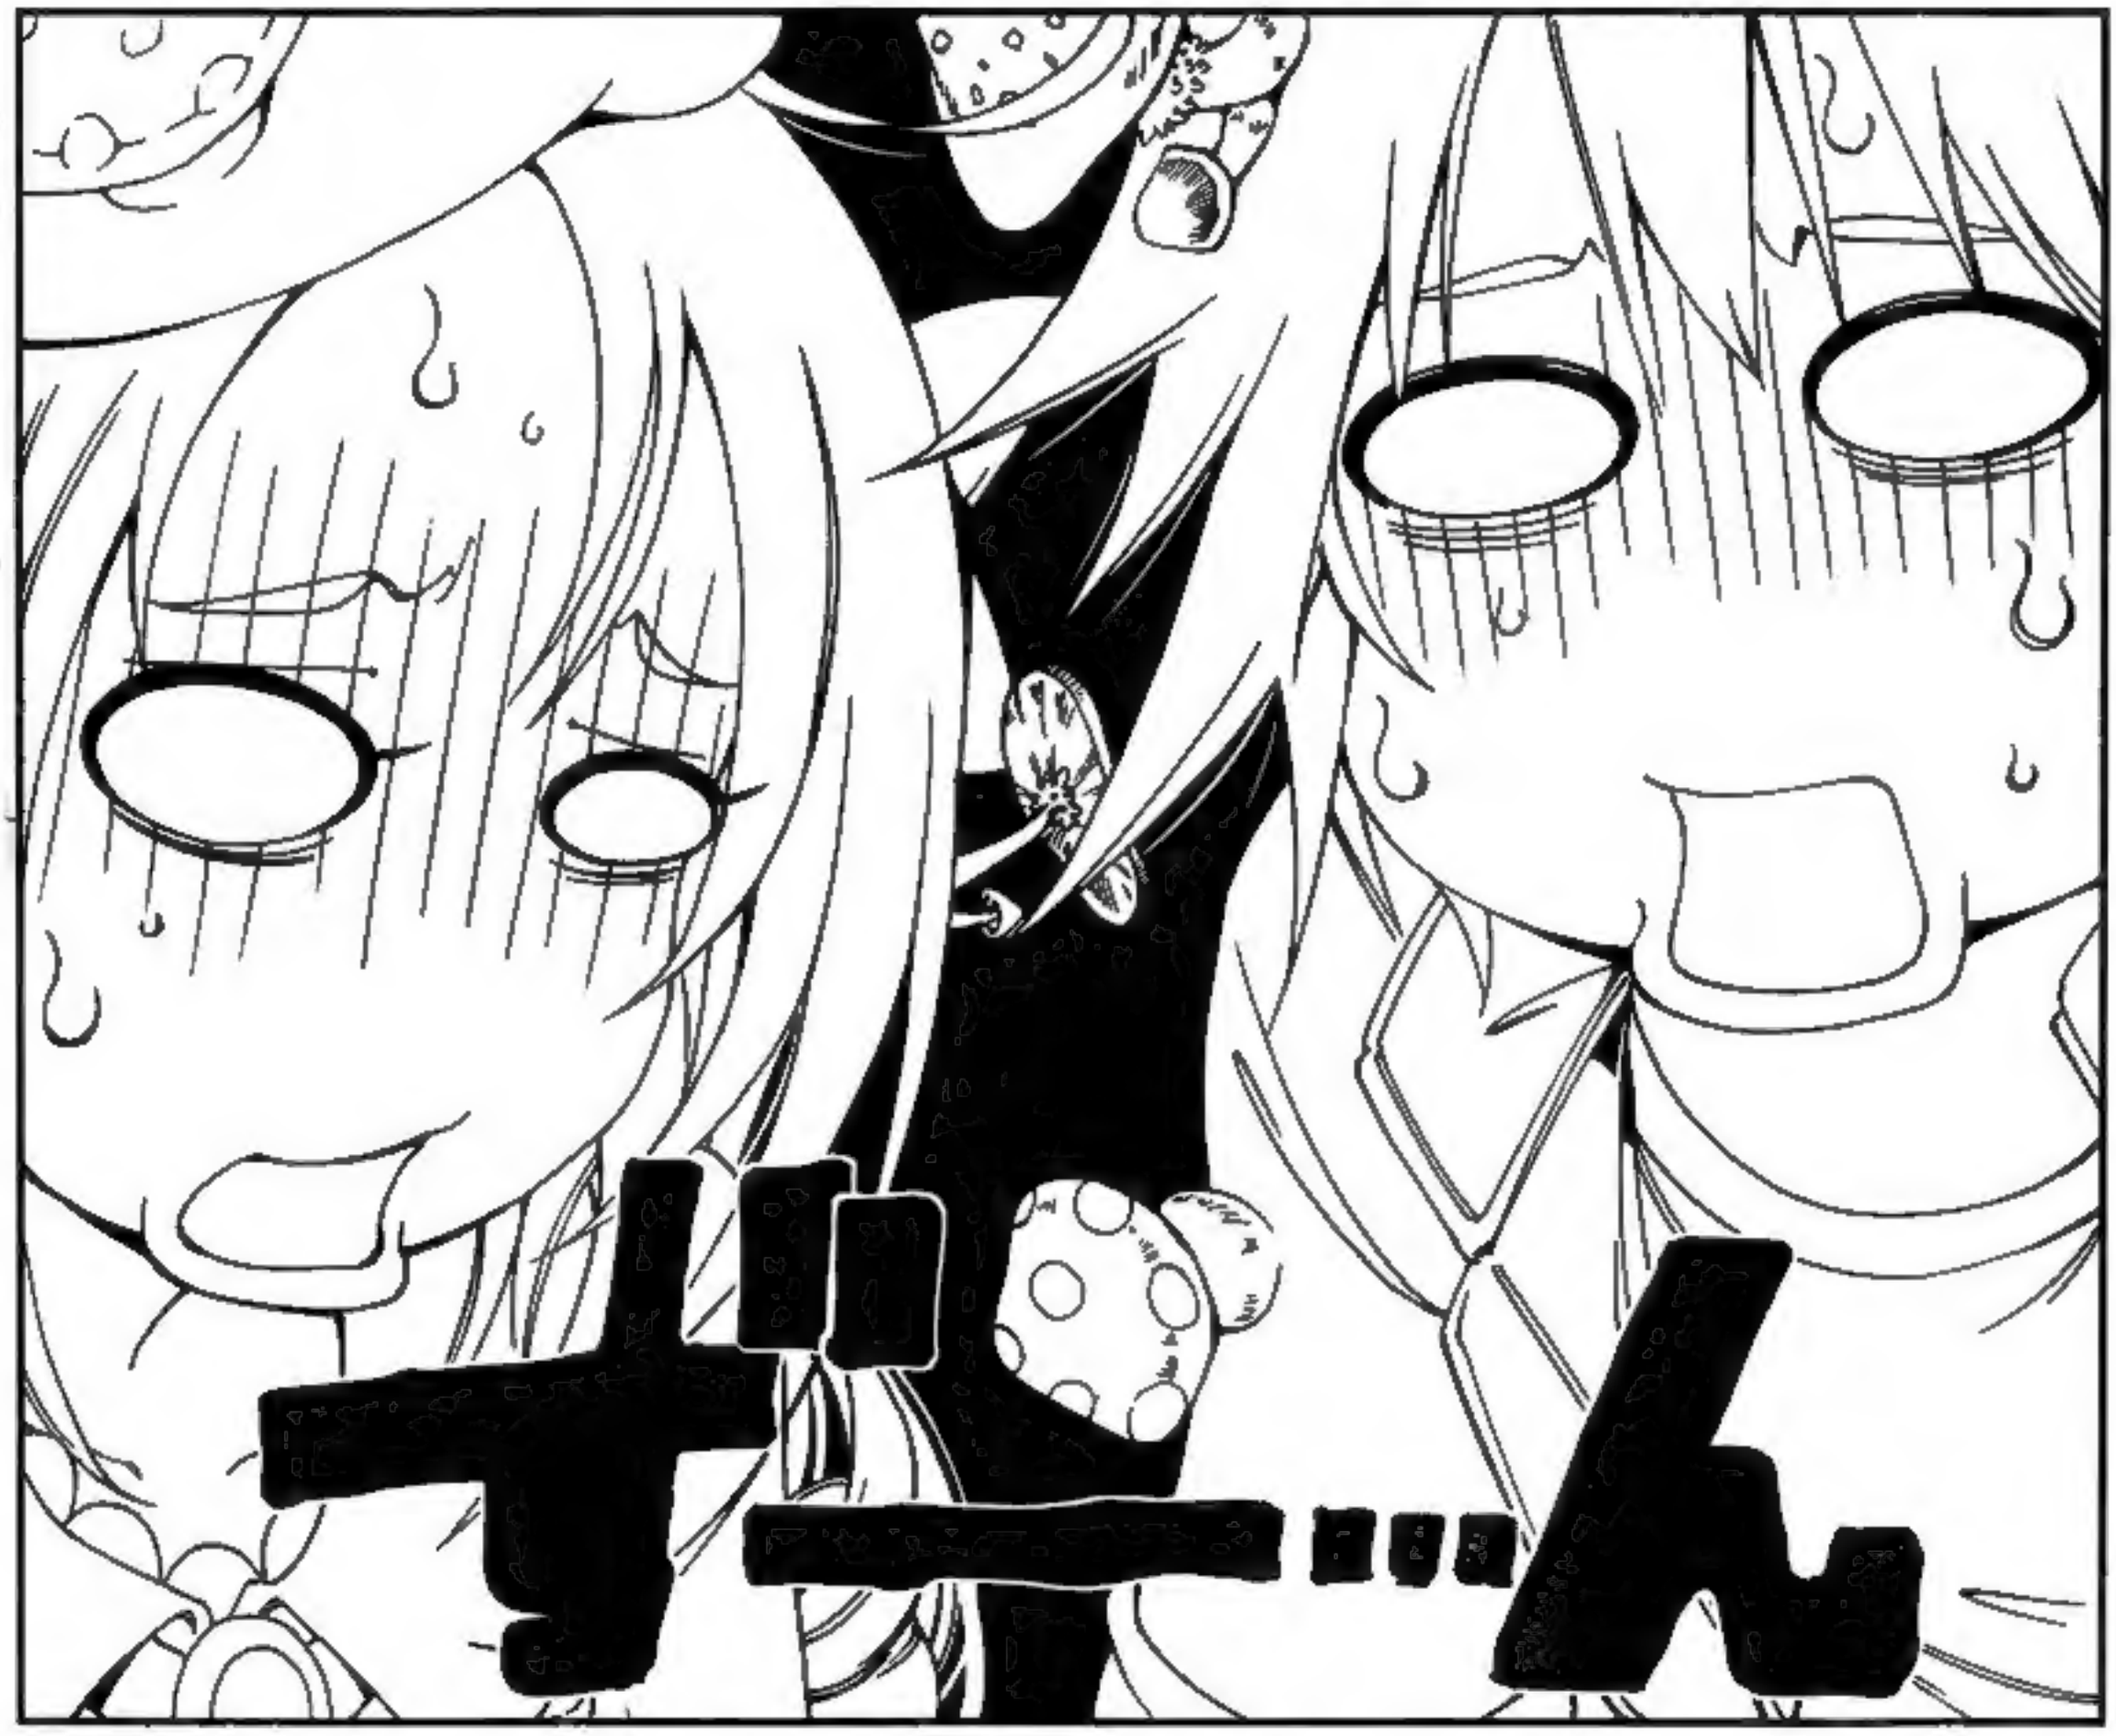
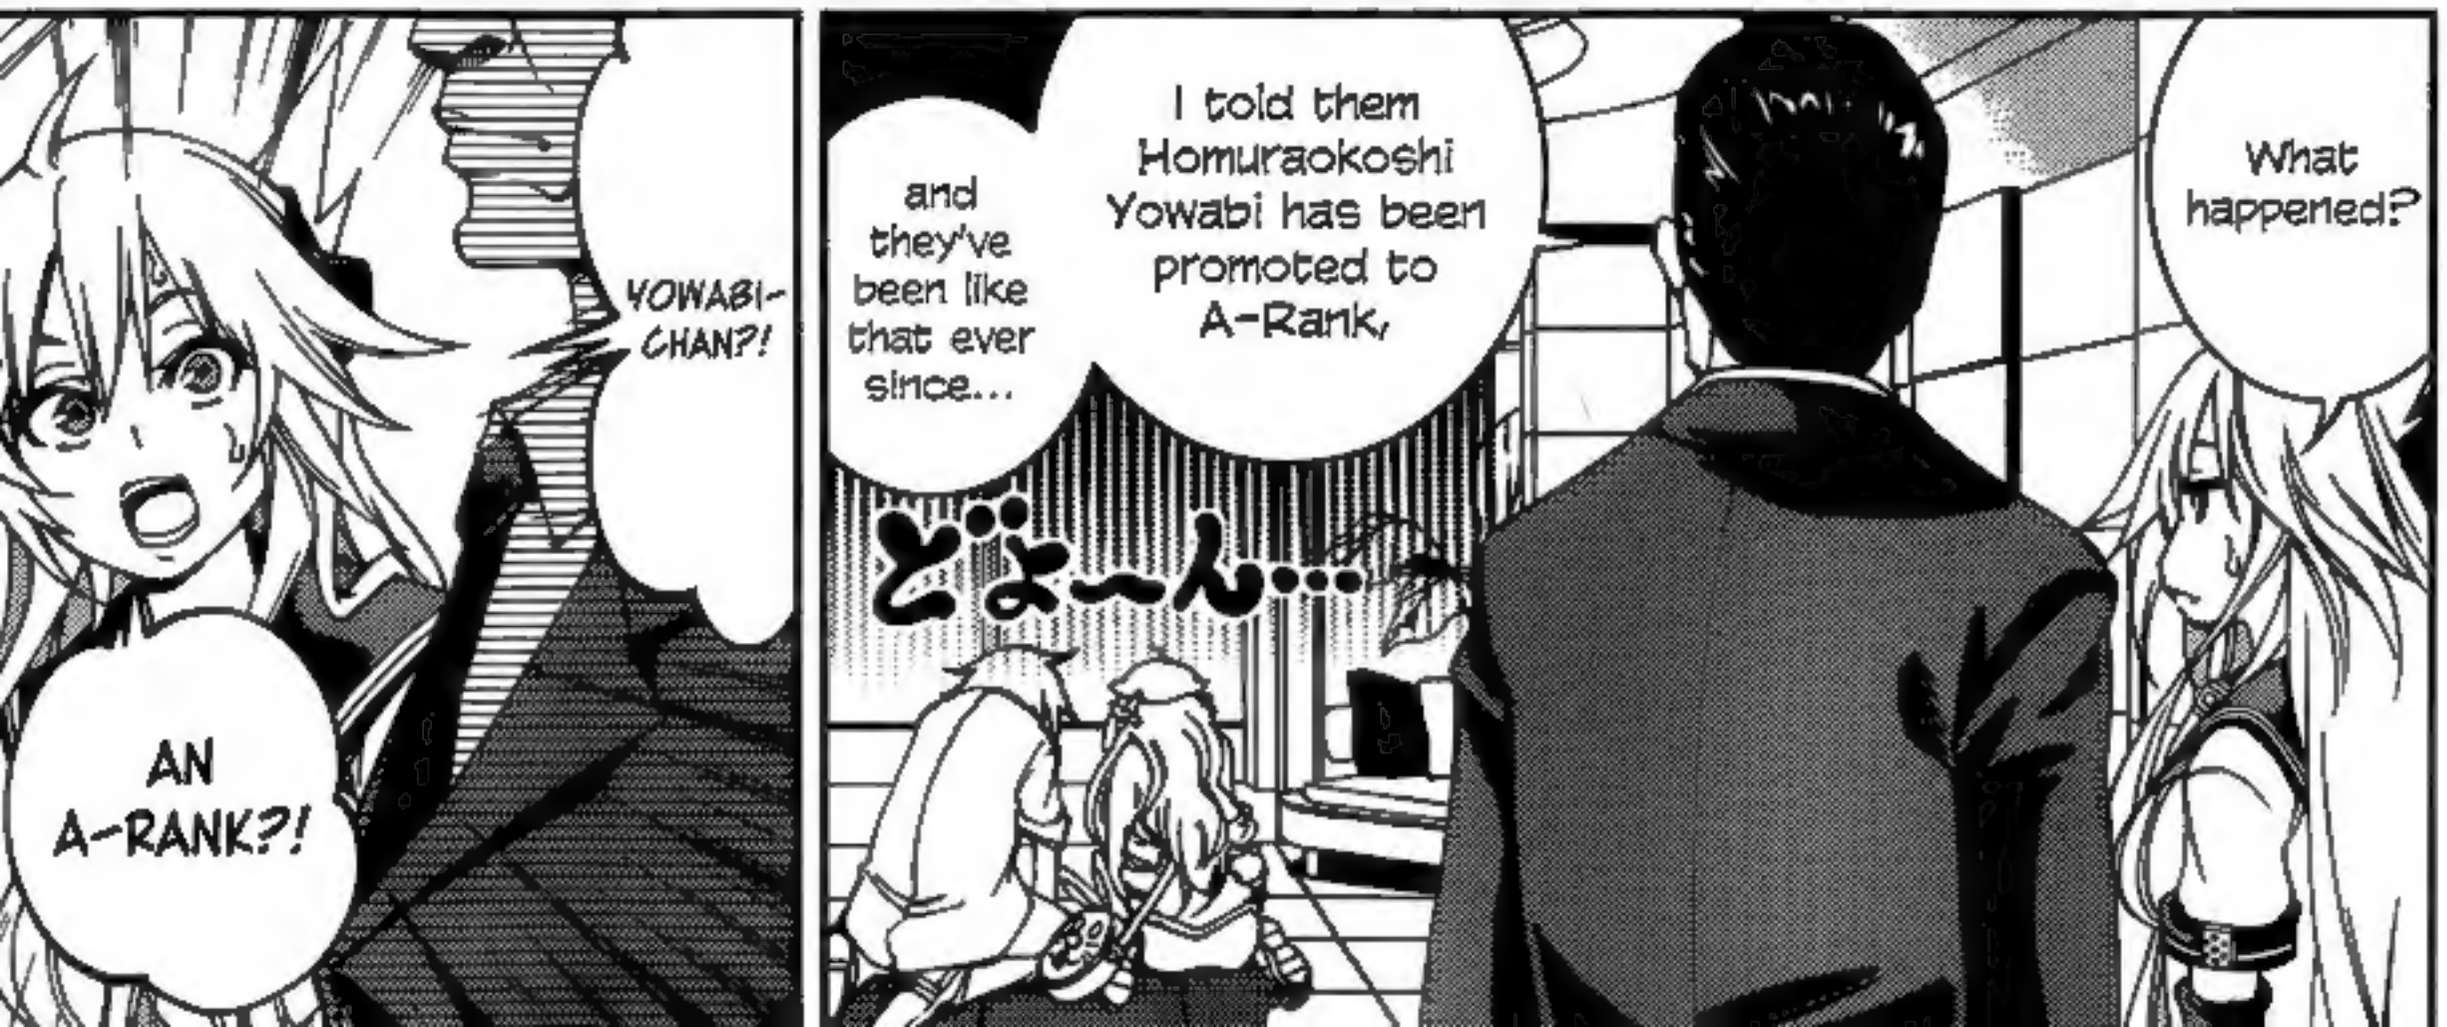
THEY ARE COMPLETELY BURNED OUT... AND THE MATCH HASN'T EVEN ENDED.

Chapter 25: The Darkness Collects Thickly and Ascends to Pitch-Black Souls





Stupid Takara! You know what to do, don't you?

'Course I do.

'Twas a fragile hope...

Oh yes... but you see, we expected it to be B-Rank...

Well, y'know... we did sorta realize she may have gotten stronger than us...

...

You better.

I got this.

!!

There you are!

Are you feeling better already?

Yowabi-chan!

Thanks to Ruri-san...

Sure ...

I didn't get hurt.

I knew it...

So it wasn't a dream...

Yowabi ...?

THAT'S WRONG !!

It wasn't your fault, Yowabi-chan!

You didn't know what you were doing--

Aria will make things work with Ruri!

Y-you mustn't worry!!

My fault...

I-I hurt Ruri-san... and...!!

I asked for it ...

I wished for more power...!

I NEVER ASKED FOR THIS--

THIS AWFUL POWER!

I HATE IT, I DON'T WANT IT!!

And I burned up that town...

I even burned Takara ...!

Asked who?

Asked it...?

Yowabi.

YOU SAID SOMETHING REALLY SELFISH JUST NOW!

AND I'M NOT GONNA LET IT PASS!!

TEXT: LEMME TELL YOU HOW I FEEL!!

TEXT: SUPER PISSED!

GET RID OF THIS DAMN THING!!

THAT "POWER SEAL" CRAP AGAIN?!

SUPER DUMB ASS

NYAAAAA!!

LOOK AT YOU, ADMITTING IT SO CASUALLY!!

THAT'S RIGHT!!

A Rank, I know.

JEALOUS!!

AND IF YOU'RE NOT INJURED,

IF I DON'T COVER MY EYE, I'LL BURN UP

WHATEVER I LOOK AT...

THAT'S NOT A COMPLIMENT, DUMMY!!

Your chuunibyou will get stronger with that eyepatch!

Someone's been splattering a strange substance around here!!

You're late, Mr. Policeman!

What seems to be the problem?

I haven't heard from Aria in a while.

Which reminds me.

DAMN, I'VE GOTTEN USED TO THIS

maybe we were unusually busy earlier?

Wait...

ガチャ

I'm home ...

HAA

HAA

Huh?

I know that voice...

Greetings, everyone.

We have hijacked this city's entire network.

What... the hell is this?

There shouldn't be anyone here tonight

I am the founder of Re:Birthday, Aria Kurumu Eleanor Valter.

These people are powerful Outlaws, members of the latest iteration in Humanity's evolution.

Many of the [illegible] living at the [illegible]

You have no [illegible] Madara!

I have [illegible] [illegible] without question for [illegible]

You surprise [illegible] Madara!

One might say you are the most foolish and [illegible] creatures

You must understand that Outlaws themselves are the ultimate existence.

We now address the Government Strangers that still serve these has-beens and nitwits.

It was broadcast everywhere!!

It wasn't just the TV!

Of course we did!

TAKARA-SAMA!!

SANAGI, YOWABI!!

Did you see that on TV?

HAA HAA

THERE'S NO WAY IN HELL ARIA IS AN OUTLAW!!

THIS ISN'T LIKE YOU, ELECTRIC MIKAN!

You of all people gotta believe in her!

But that's the thing... there's nothing here, and I'm stuuuck!

Thanks, Takara.

Let's search!

WE MIGHT FIND SOME CLUES HERE...

Yeah!

!!?

W-WHO THE HELL ?!

Are you an Outlaw?!

When did you come in?

My goodness! Me, an Outlaw?

How unkind of you, Shimonone-chan~

ライジンXライジン

See, if I was an Outlaw...

Don't worry, I'm from the govern-ment~

HOW D'YOU KNOW MY NAME?!

I would've already sliced off your head, like this.

Who is this person?!

T-TAKARA !!

I work for the government's top brass, EDEN's Elite Control Unit. Liza's my name~

Let's be friends!

but I've heard about her.

We've never met...

YOU'RE LIZA?!

You know this person?

There are people in the government who do unsavory missions undercover ...

I came to put down Aria-chan, of course.

It's obvious, no?

We've got to purge those Outlaw moles, right~

What?

Under-cover?

Does that mean...

Oh, aren't you a lively one? ♡

ねちょ～…

SHUT UP!!

Ah, youth!

NNN?!

HMPH!

YOU DON'T KNOW ANYTHING ABOUT ARIA!

DON'T GO DECIDING THAT SHE'S AN OUTLAW ON YOUR OWN!!

Fine, I'll give you 24 hours.

...24 hours?

Hmm ...

Fufu!

No problem.

I kill her.

Just one day ...?

And if we can't?

60

If you want to cancel my mission,

do something about it before then~

COMBINE YOUR TRUST AND PROVE YOUR BONDS!!

I WON'T LET ARIA GET KILLED BY YOU!!

WE'LL PROVE THAT SHE'S NOT AN OUTLAW!!

Thank you.

Shimonone-kun, Raigou-san.

Anyway ...

SHUT UP, ELECTRIC MIKAN!

No, it's all right!

It's my fault... I'm too plain and introverted, so people don't remember me...

OH, CRAP! SORRY ABOUT THAT!

I'M SORRY!! WE JUST DIDN'T KNOW...

I'm your classmate from school.

Takahashi Eriko.

Well ...

Aren't you an ordinary civilian?

What are you doing out here?

Seriously? Our classmate!?

WHAT!!?

Wait a minute!!

I wanted to prove that Strangers and Outlaws are different.

after that announcement today.

Here are society's comments on Strangers

Com-ments?

What do you mean?

You didn't know?

I knew something like this would happen one day...

"Re:Birthday"? I don't give a shit...

Damn, that boss has huge knockers~

UNF UNF UNF UNF UNF

What the fuck is the difference between Strangers and Outlaws?

At the end of the day, we're the only ones who suffer...

Panties!

Show us your panties!!

Panties!

We normal people have to clean up their messes.

Their boss is gorgeous! I'm getting a boner here!!

Quit acting all high and mighty, Strangers...

At least the Re:Birthday goons know their place (LOL)

You freaks are the scum of society...

ARIA-SAMAAA!!

Grrrr!

MAXIMUM RAGE!!

...!

This is awful...

We've been working so hard...

That's old news.

That's how the general public sees us Strangers, more or less.

It's not very nice, but I'm used to it.

If that's true...

All the more reason to prove them wrong!

Electric Mikan

My parents, too.

They tell me to stay away from Strangers...

Who are prejudiced against Strangers.

I know there are lot of people

I want to believe in you!

Still, I...

In fact, you saved me once!

During the hostage incident at the mall.

You were one of the hostages?

Huh?

It's dangerous!!

But now? You don't have any powers.

I have ...

PLEASE!!

LET ME FIGHT TOO!!

SO THIS TIME, IT'S MY TURN TO HELP YOU!!

I realized then...

What I learned from them was wrong.

AAAAAAAH !

TOO CLOSE!

Kindly stay away from me, if you will.

On that point, I actually agree with the Outlaws.

...Well,

I commend your value as bait at least.

BECAUSE YOU'RE REALLY GROSS.

WHY ARE YOU FIRING AT ME FOR, TOUYA!?

Thanks to you lot, I was able to wipe out the Outlaws in one sweep.

There's still one left.

.....

That's right, he was doing his best!

TAKARA-SAMA GOT SOME ACTION TOO!!

Well done, Touya! ♡

And I didn't care much about Re:Birthday anyway.
WAIT A SEC, COME BACK! WIND CHILD!!

AH, SHUT UP!

Heh!

As expected from your arch-nemesis, Shimonone Takara.

.....

More important-tantly, I got a question.

It's quite simple.

You were both locked up!!

That's right...

How did you two get here?

When the higher-ups in EDEN exercise their authority,

getting me released was no problem at all.

TLN: THE FURIGANA READS "THOSE WHO WATCH [OVER]" OR "THE OVERSEERS".

.....

We're undercover spies working for EDEN!

That's easy too. ☆

!?

That's no answer...

Why would the government elites release you two?

Strictly speaking, we're not in the Elite Control Unit. We're just allied with one of EDEN's top brass

!?

Are you Liza's colleagues?

Eh?

!?

?

Oh, you know Liza?

EDEN investigates Aria from the inside, while I uncover her plans from the outside...

Liza being on the move already proves it.

Aria's actions tonight were predicted by EDEN well in advance.

Thus we became allies over a common goal.

SHIT... WE'RE RUNNING OUT OF TIME!!

Once she starts, Aria-san will get killed within 24 hours ☆

!!

What!?

I don't mind.

Please!!

If you know anything... Tell us!!

The State General Library: "Love Live Library".

That's where you'll find Aria Kurumu Eleanor Valter.

TLN: I KID YOU NOT, THAT'S WHAT HE SAID IN ENGRISH.

We must hurry, Takara-sama!!

RIGHT!

State General Library...

Touya!

ライジンXライジン

Thank you.

My debt is paid, Shimonone Takara...

I'LL SHOW YOU WHAT A REAL HERO'S LIKE, TOHYA!

No need to thank me.

Will never be a Hero!!

And gets high over his ability's strength...

Haa... Haa...

Someone who doesn't care for his friends

that I'd better leave this to them.

I actually think,

You're not going after Aria-san?

Let's go, Ruri...

The true value of friends.

You've taught me...

Beats me... I didn't notice her.

A new girl?

She had like no presence!

By the way, wasn't there a new face?

HAA...

We're finally here...

HAA...

Aria... Is in there!?

It's already past noon!!

Okay.

RIGHT!

LET'S GO!!

For sure!!

!?

LIKE THE MIDDLE OF WINTER!!

C-COLD ...!!

WHERE'S THIS WIND FROM!!?

!!

YAWWWN... SO THEY'RE HERE, HUH...

Ice ...?

!!

WHAT A PAIN...

...A girl?

Eh?

I think... I know her...

Yowabi ...?

!!

Who's there?

In... This library ...!?

Do you want... power?

That girl I met ...

WHEN I LOST CONTROL OF MY ABILITY...

SHE MADE IT HAPPEN!!

YES, IT'S HER!!

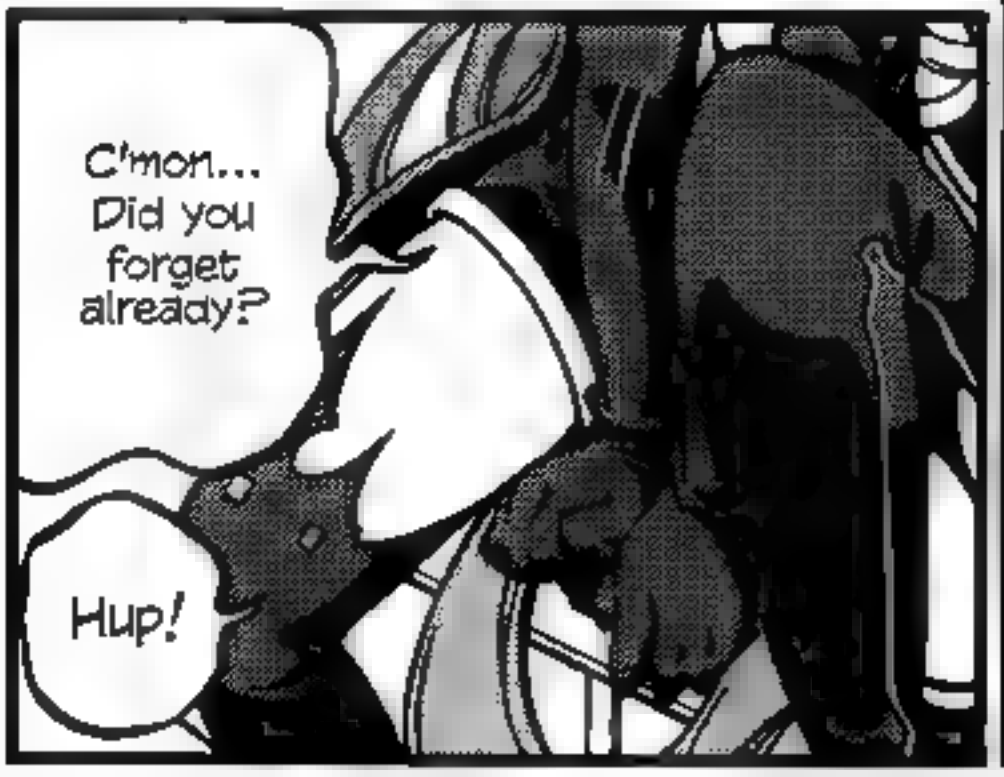
GUGUGUGU



C'mon... Did you forget already?

はぁ...

Please tell me!!

Yup, she's here.

Is Aria up ahead?

Let's change the question.

Lightning Bust

CRRRRRR

.....

She's casually introducing herself...

WHAT ON EARTH IS THAT GIRL!?

WHILE TANKING RAIJIN-SAN'S LIGHTNING NO LESS!?

How did you know?

My name's Koori. Rangyoku Koori...

ICE!?

Did you just call my name?

Hm? What?

Huh?

TLN: KOOR = "ICE".

Electric M'kan

!!

You go on ahead to where Aria is!

There's no time left, stupid Takara!

I've been thinking...

I don't think I could do anything.

Even if I faced her, if it came down to fighting Aria to save her...

Nfu!

...

she was like a real sister...

Because to me,

That's why...

I'll definitely save Aria!!

You can count on me!

I'll leave Aria to you,

stupid Takara.

.....

UNDER-STOOD!! CATCH HER OR DIE TRYING!!

You're really fired up, Saragi-chan...

SO MAKE SURE YOU GUYS CAPTURE HER, ALRIGHT!?

Well, that's okay... I was told to let him through anyway...

Are there any among the people, that support you as heroes?

Even in this state...

But what now?

That's what you're usually called...

Well ...

Quit acting high and mighty, Strangers...

What the fuck is the difference between Strangers and Outlaws?

You freaks are the scum of society..

THIS is reality...

Ridiculous!!

An inferior and foolish way of thinking.

by crushing the minority, oppressing and eliminating Strangers.

And they've existed

It's their entire history.

Since the beginning of time, humans have refused to accept those different from themselves.

DO WE NEED THIS ANTIQUATED HUMANITY IN THE WORLD?

NO!! THEY ARE UNNECES-SARY!!

They deserve to be purged.

Are you ...

For real?

.....

Even when we risk our lives to resolve Outlaw incidents and problems,

there's no gratitude toward Strangers!

No change in their opinions --

Is that why you formed...

THE OUTLAW ARMY, AND RE:BIRTHDAY!?

What a stupid reason...

You sound like a kid!

But they'll be perfect as disposable "cattle" for ability users.

I admit it's impossible to eliminate ALL of former mankind.

Fufu fufu ...

YOU BITCH !!

THE ARIA I KNOW

ISN'T LIKE YOU ...

Are you really Aria!?

I am the real Aria Kurumu Eleanor Valter.

Yes.

Yes, him.

Why am I surrounded by so many lunkheads?

First stupid Takara, now you.

Honestly...

He's short-tempered and dumb, and charges in without thinking.

And he's super weak, but a show-off too.

Whenever he makes plans, he fluffs the most important part.

And he's always noisy!

And insensitive!

And stupid!!! (Fourth)

And stupid!! (Third)

And stupid! (Second time)

And he never reads the mood!

Hmm ...

Well ...

I guess he says cool things too, now and then.

SHE MAY BE A NOBODY, BUT BACKUP ARRIVES! WILL THE TABLES BE TURNED!?

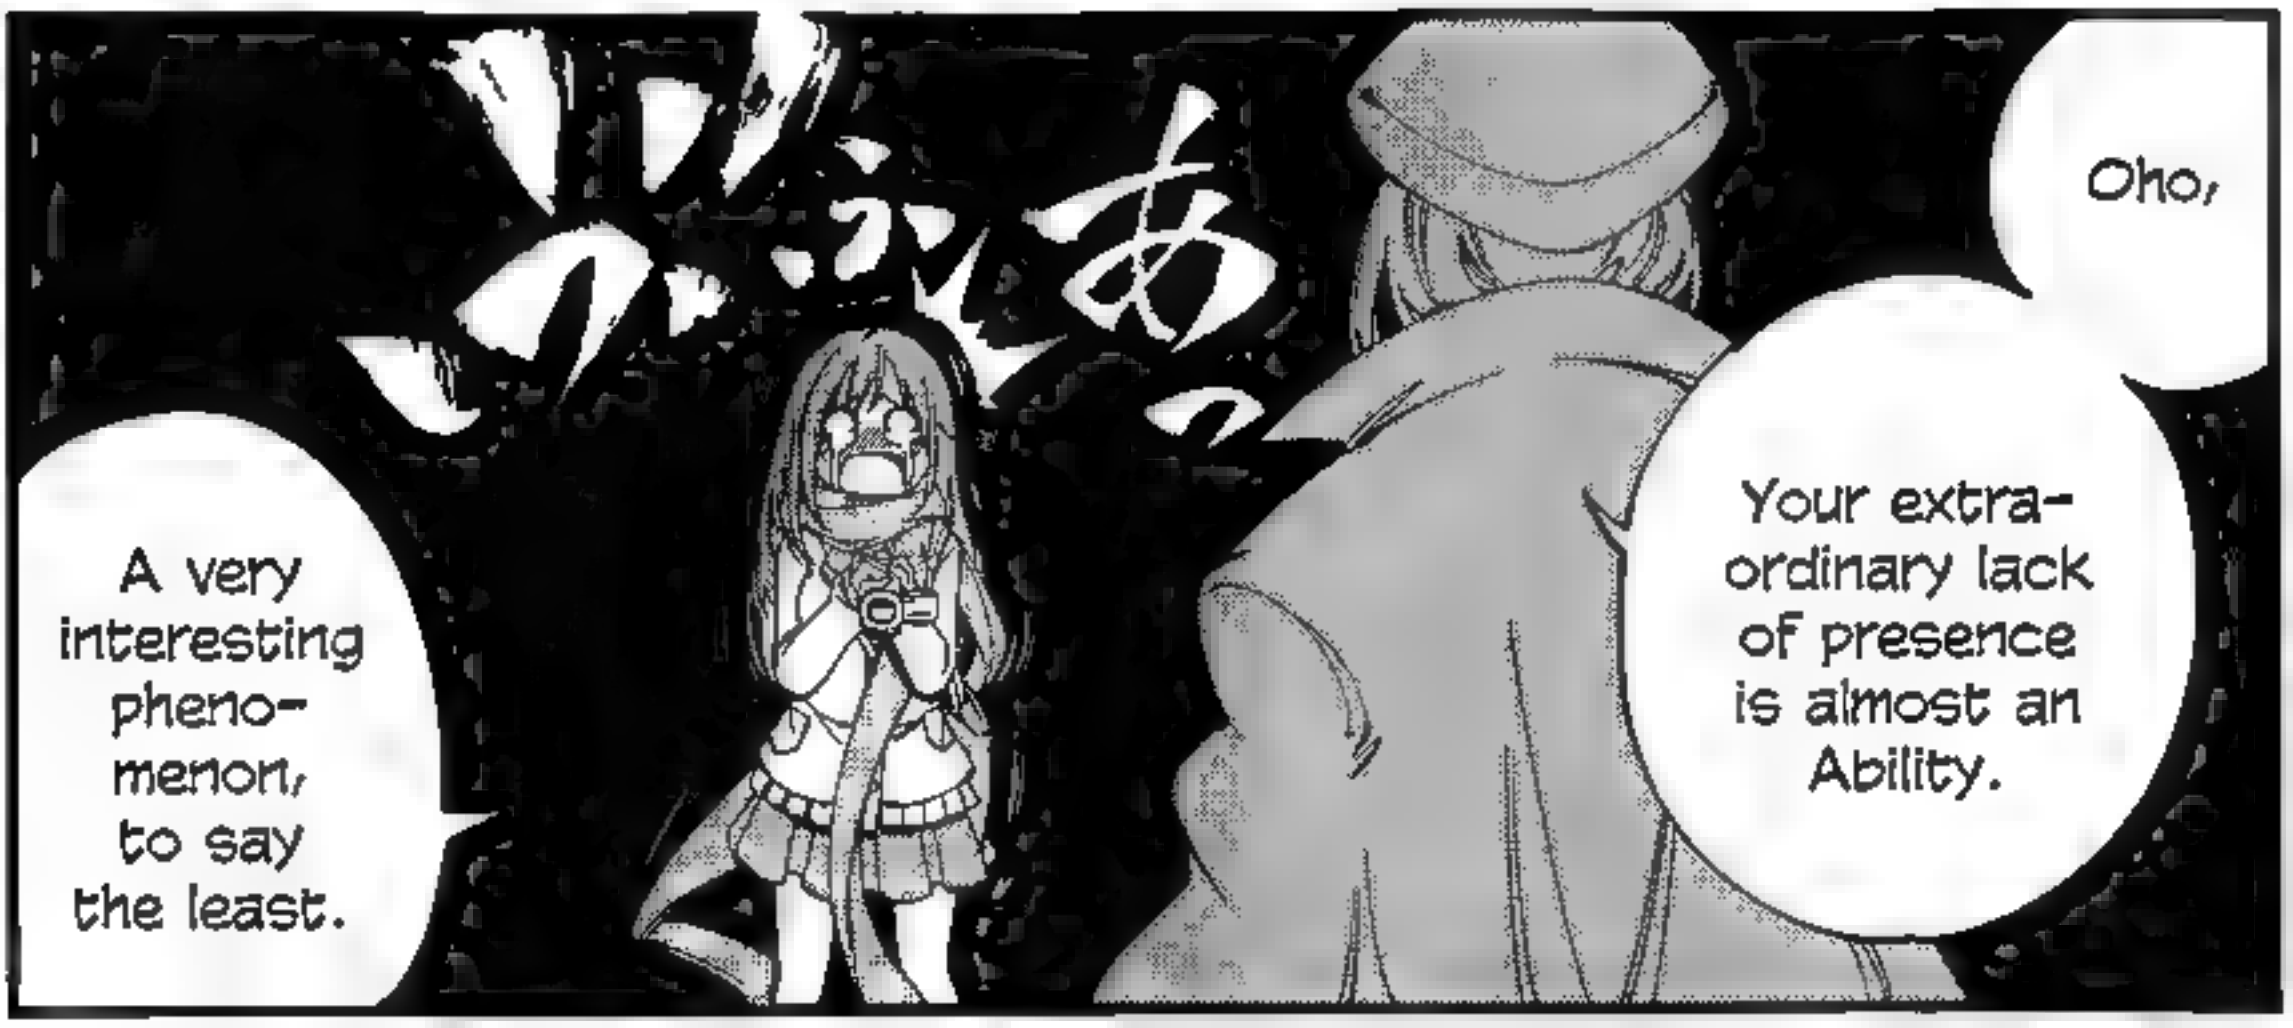
Takahashi-san...

Yes...

I'm just an ordinary person.

Taka-hashi Eriko ...?

I could've sworn that Raigou Mikan was the only Stranger among Shimonone Takara's classmates ...



Oho,
Your extra-ordinary lack of presence is almost an Ability.
A very interesting pheno-menon, to say the least.

Takanashi-san .. She's pretty dangerous.
.....
You better get back ...

what does an ordinary girl want from me?
So,

That there are lots of people prejudiced against Strangers.
No one can deny...
And I used to... Be one of them...

I think Aria-san is right.
Actually, I...

But Shimonone-kun and his friends saved me.

And I was with them for half a day... As I watched them in action,

I began to understand.

and got hurt...

looked sad,

felt angry,

They smiled,

We're all humans in the end!!

I realized that,

Strangers are no different from the rest of us... Ordinary people without powers!

Some-thing only you can do?

So I tried something only I can do.

In my way...

I decided that I wanted to help them somehow.

Takahashi-san...

Have you heard of the website, "Smile Douga"?

Live stream... On the Internet?

...Eh?

I was actually using my camera and laptop

to live stream Shimonone-kun and friends in action on the Internet this whole time!

I thought Strangers and Outlaws were the same thing, but maybe they're different after all.

I don't mind supporting them!

Not bad, Strangers. ☆

I'm starting to think that too ☆

At least these Strangers are cool (lol)

You can do it! (^ v ^)

That's a lot of comments !!

What is this video!?

I'M GLAD YOU GUYS ARE ALRIGHT !!

YOWABI! SANAGI!!

ELECTRIC MIKAN!!

HEY ...!

WHERE ARE YOU LOOKING AT!?

Well look who's talking...

Y-you look really hurt!!

What about you, stupid Takara!?

Fucking gross!

Not so fast, Gel-Man!!

CREEP!!

Nope!!

Leave!!

LEO LEO

No mercy, huh?

So scary ...

I'm sure what everyone saw today

will change how society looks at Strangers from now on.

This is only a part of the public opinion, but I've started the process...

When did you even get here?

Since when!?

What!? Takahashi-san was filming this!?

To think a powerless girl managed it...

To fulfill my dream...

Of completing Little Garden.

No, no, it's fine...

I'm used to it...

Ah! S-sorry...

DAMMIT, ELECTRIC MIKAN!

You went too far!!

...

Fu...

Fufu...

...

Aria ...?

I did all of this... For Mikan.

Well... At first, anyway.

Now it was for all of you, the Strangers.

For all of us ...?

Since my childhood, I was talented in so many aspects and called a "genius".

Not exactly like an ability user,

but people recognized me as different.

What I learned was this...

Will turn you into a "hollow person".

No matter how gifted you are; superficial human relationships and environment,

That's what I always thought...

A meaningless life.

There's hardly a difference between "genius" and "Stranger".

I saw myself in her.

When I first met Mikan, looking so alone and soulless due to her overpowered ability...

I mustn't let this girl live the same life I had!!

I'm your director,

Aria Kurumu Eleanor Valter.

Um... Nice to meet you.

Hi, Mikan-chan...

How was your day?

Can we talk together? You can talk about whatever you like.

OFT

.....

Let's see... For me, a lot of things happened today.

Things that made me laugh...

Frustrating things...

things that were sad...

Things that were fun,

Well... See you later.

Aria ...

もぐ

Thanks

For every Thing

!!

BUT!!

Your happiness means little if the only people that understand you, are government officials like me!!

It's not enough...

Aria ...!

Thanks to Mikan, I began to feel alive for the first time in my life.

Yowabi-chan.

Mikan.

Takara-kun.

TLN: KANJI READS "IDEAL CITY".

Where they can happily smile and coexist...

A place where ALL Strangers are accepted by the public!

A UTOPIA!

I found a reason to exist.

THAT IS THE "LITTLE GARDEN" I ENVISIONED.

So that means ...

... Eh?

Once you Strangers defeat the Outlaws and I, the mastermind of the worst uprising in history, get imprisoned... You'll all become accepted by society.

Was to change the public opinion towards us Strangers. Is that what you're saying?

The reason you formed Re:Birthday. And announced the destruction of Humanity...

YOU CAN'T ...!

ARIA!!

That was my plan.

Electric Mikan...

You can't be serious ...

Little Garden?

I DON'T NEED A PLACE LIKE THAT!!

IF ARIA ISN'T THERE TO CARE ABOUT ME,

IT WOULDN'T MEAN ANYTHING TO ME!!

Mikan ...

STUPID ARIA!!

WHY DID YOU DO SOME-THING SO STUPID!?

WE NEED ARIA ONEE-SAMA!!

YOU MADE THE WRONG CHOICE, ARIA-SAN!!

BECAUSE WE WERE ALL TOGETHER, RIGHT!?

WE HAD A PLACE WHERE WE BELONGED

SHE'S RIGHT, ARIA!!

Every-one.

Oh dear~

I didn't expect you to actually stop Aria-chan within 24 hours.

I'm sorry ...

WHAT ...?

BUT YOU PROMISED!!

She was going to get eliminated anyway.

Sorry, but Aria-chan's crime topped levels I can't negotiate with.

Aria ...

KUH ...!

This is... For the best.

STOP, MIKAN!!

You're the one who needs to back off, Liza.

Fff...!...

I wouldn't have dreamed of getting covered in Takara-kun's gel myself...

Mm ...

I'd say this was "elimination" in one sense.

At any rate, Aria-chan's motives were exposed online.

The higher-ups have decided that they should carefully rethink her sentence.

Fine! I'll cancel Aria-chan's execution!!

Eh?

Ugh, enough of this ...

!!

You have grown, Takara-kun.

She WILL be locked up for a while.

How-ever!

So that means Aria is...

I bet getting killed by me was part of Aria-chan's plan anyway.

Well,

Oh ...

ﾌﾗｯ...

it's a very lenient sentence.

All things consi-dered,

Aria!

I'll be waiting for you.
